DIRECTOR

SUBMITTED: July 13, 2015
RESUBMITTED: August 17, 2015

MEMORANDUM TO THE DIRECTOR

Information: Natural Resources Commission

Subject: Order to Regulate Use of Cornish State Game Area, Van Buren County
Land Use Order of the Director Amendment No. 6 of 2015

Authority:

The Natural Resources and Environmental Protection Act, 1994 PA 451, authorizes the Director to issue orders to implement land use rules

Discussion and Background:

Recently, the state of Michigan purchased about 385 acres of property located in sections 21, 22, and 28, T4S R13W, Van Buren County, establishing the Cornish State Game Area (SGA). It was purchased with funds from the Michigan Natural Resources Trust Fund. As noted in the Wildlife Division Strategic Plan, acquisition of these lands will further propel the strategic purpose to provide access to lands for wildlife recreation.

The Land Use Orders of the Director prohibit several activities on all managed state game areas and wildlife areas. The Director may order additional prohibited conduct on state game areas or wildlife areas in order to protect and preserve public lands and other property from depredation, damage, or destruction or wrongful or improper use or occupancy.

The Department is recommending that no watercraft with motors, except those using electric motors, be used on Grass Lake within the Cornish SGA. Grass Lake is shallow and highly vegetated, so the use of motorized watercraft will cause damage to the lake.

In addition, the Department recommends allowing parking in designated areas only. Parking along the sides of any of the roads could result in a public safety hazard. The Department is in the process of developing two designated parking lots in order to accommodate the public.

Recommendation:

This order was submitted for information on August 13, 2015, at the Natural Resources Commission Meeting. This item appeared on the Department's July 2015 calendar and may be eligible for approval on September 10, 2015.
